Shadows

11 0 1

Chapter 1 by Lorraine

There are shadows following me. I'm so scared what do I do? I don't know who it is, it is just one big shadow. I was so terrified I was running for dear life. I was just wondering why it is after me? I was shaking in fear that it was going to hurt me, I tripped over my shoe and I could not get up cause I think I twisted my foot. The shadow was getting closer and more bigger each step it took. I tried crawling away, but my foot hurt to bad to move. I had no idea what to do? I saw there was a branch next to me so I could use it to hit the person that is after me.
